

# Add/Edit Region to Linky Maps

Navigate to **Components > Linky Maps**

Click into your Map

To add new Marker:

1. Type in your location into Marker input and it will begin to auto fill. Choose your location and Long/Lat will be entered.
2. Add your tooltip title & description
3. Add your marker color of choice.
4. If your website is not using the Custom Link, you can skip.
5. Click add when completed.
6. It will go to the bottom of the list. You can continue to add as many as needed.

#### Marker

Region to display \* Americas - Subcontinents Regions

Marker \*:  

Latitude:  Longitude:

Tooltip title\*:

Tooltip description\*: 

File Edit Insert View Format Table Tools

← → Formats **B** *I* [bulleted list] [numbered list] [link] [image]
